I. CALL TO ORDER

The meeting was called to order by Sara Struhs at 5:02 pm.

Mrs. Struhs noted this meeting was a “kick off” for the academic committee. The established goals for NCVA as attributed in the application were discussed, noting that it was a lofty goal to set the bar at 90% of learners reading on grade level by the end of 3rd grade. Further review of the documents shared by the chair took place.

A calendar of future meetings will be established after Dr. Medley meets with the testing coordinator and confirms data collection dates.

II. ADJOURNMENT

The meeting was adjourned at 5:43 pm.
