Instructions for presentations to the Board of Directors by parents, guardians, and citizens.

The North Carolina Virtual Academy Board of Directors welcomes your participation at the regularly scheduled board meetings. During these meetings, the Board of Directors (Board) will conduct the school's affairs transparently. We are pleased you are attending. Please follow these guidelines below if you wish to participate in the meetings.

1. Agendas are available to all audience members upon request.
2. "Requests to Speak" forms are available to all audience members who wish to speak on any agenda items or under the general category of "Communications" or for conference call attendees by signifying his or her desire to speak at the beginning of "Communications."
3. The "Communications" portion is set-aside for members of the audience to address items on the published agenda. Audience members may offer objective criticisms of school operations and programs, but the Board will not hear complaints about school personnel or other persons during a public session. The process for complaints involving school personnel or other people is provided through other channels. The Board will not respond to remarks made in this manner during the meeting but may issue a written response after the meeting. These presentations are limited to three (3) minutes. Extensions of time will be at the sole discretion of the Board Chair.
4. When addressing the Board, speakers are requested to state their name and address and adhere to the time limits set forth.

5. Individuals may request that a topic related to school business be placed on the future agenda by submitting a written request at least two (2) weeks or ten (10) working days before the scheduled board meeting. Once such an item is properly placed on the agenda and publicly noticed, the Board can respond, interact, and act upon the item.

NCVA is a community of students, families and educators dedicated to expanding educational choice through innovative and technology-rich instructional practices, and accountable for developing each student's full potential for academic and post-secondary success.
